

To Whom It May Concern:

I am writing in reference to a letter that I received from K-LOVE Radio notifying me of an important issue that may affect the future of K-LOVE in my area. I have been listening to K-LOVE for over 5 years now and I am a proud sponsor of K-LOVE. K-LOVE is a Christian radio program that operates based on listener support. I tune in to K-LOVE all the time, both in my home and also when driving. I find that K-LOVE brings encouraging thoughts to myself and has been a great help in times whenever I was feeling down. My teenage daughter and my friends also listen to K-LOVE. Several of my friends have become Christians after the positive influence that this radio station has brought to them. There are several Christian radio stations that already exist, however, not one of them touches my heart the way K-LOVE does. To think that I could no longer listen to K-LOVE because I don't live in the area that it is broadcast from, would bring great sorrow. Please do not change what is already in place that allows K-LOVE to be broadcast to my area.

Thank you for your time.

Sincerely,

Barbara White
